Title of Change: TE_7.01_DMS.01(Amended)

The following document contains the installation procedures:

See TE_7.01_DMS.01_AddSheet.doc for installation instructions.

Reason for amendment: We have confirmed that the fix for NCR ECSed40961 was delivered in the TE_7.01_DMS.01 which was sent on 9-14 -04. NCR ECSed40961(Updates to V0 Gateway binary) was not recognized in TE_7.01_DMS.01. We successfully tested NCR ECSed40961 in the PVC/TS1(7.01 baseline) mode.
